This card is to be used by First Anaesthetic Consultant to arrive (not on call)

YG ACTION CARD: CO-ORDINATING ANAESTHETIST

YOU ARE IN CHARGE OF ALL ANAESTHETIC DOCTORS FOR THE DURATION OF THE INCIDENT

TASK	DESCRIPTION	✓
1	Report to Hospital Incident Commander in Executive Seminar Room. Check resident team and on-call team have reported and taken action cards.	
Now go to <u>Theatre Reception</u> and collocate with Theatre & ODP co-ordinators. Don tabard & start completing the major incident whiteboard.		
2	Contact anaesthetic secretary for comms and admin support	
3	Contact 1st on-call anaesthetists for situation report from ED.	
4	Log in staff as they arrive and ALLOCATE ROLES (back of card)	
5	Contact ITU / HDU for bed status - Put on WHITEBOARD	
	Contact ITU Consultant to decide on activating ITU MI Plan	
6	Discharge Patients from Recovery	
7	Support the THEATRE LEADER in deciding which lists to stop & theatres to prepare.	
8	DOCUMENT DECISIONS (via secretary or consider Dictaphone)	
9	Keep spare doctors in ANAESTHETIC DEPT (ext 4177), and SEND THEM HOME as soon as possible to prepare for next shift. Make sure they are contactable.	
10	Organise your own and admin replacement for end of shift.	

NOTES

- The **Theatre Leader** is in overall charge of theatres. Support them to make their decisions.
- The incident (from a theatre perspective) will be managed from **Reception**:
- Collocate with Theatre Co-ordinator, ODP Co-ordinator
- Ensure you have delegated Comms person to answer phone immediately
- Make sure all staff book in and out via the whiteboard and that you know where they are.
- Ensure all patients (including normal CEPOD and trauma emergencies) are listed on whiteboard
- Surgeon in ED will decide priority for theatres & will phone reception to book cases.
- We need to call Resus team when theatre ready to accept.
- 551 / 063 RESPONSIBLE FOR OBS EMERGENCIES / Cardiac Arrest CALLS - Make sure they are doubled up / free to attend an emergency

GIG CYMRU NHS WALES | Bwrdd Iechyd Prifysgol Betsi Cadwaladr University Health Board

This card is to be used by 1st <u>On-Call Consultant</u> anaesthetist

YG ACTION CARD: On-call Consultant ANAESTHETIST

YOU ARE ANAESTHETIC CO-ORDINATOR FOR THE EMERGENCY DEPARTMENT

TASK	DESCRIPTION	✓
1	Call a second consultant. **State Major Incident Declared.** Ask them to call a secretary / admin person and all consultants starting with closest to hospital first. Don't call consultants who have already replied via WhatsApp group.	
2	In addition use the WhatsApp group " YG Anaes Major Incident" Send "**MAJOR INCIDENT DECLARED. RSVP. GO TO YG THEATRE RECEPTION**"	
3	Pick up 642 bleep.	
4	Report to major incident officer in Executive Seminar Room If unable to: call 5390 / 5391 / 5392 / 5393	
5	Go to ED resus and **MAKE BAYS READY** for 4 x P1 patients. Check **EQUIPMENT**, prepare **DRUGS –** TXA, Analgesia, RSI.	
6	Ensure 1 ED Doc, 1 ED nurse, 1 anaesthetist, 1 ODP per bay.	
7	Act as the Anaesthetic Co-ordinator for ED: **ASSIST** ED Doctor & Surgeon with **TRIAGE** & **DECISION MAKING**	
8	**CONTACT CO-ORDINATING ANAESTHETIST** regularly to give situation reports. **4252 / 4253 / 8861**	
9	**SUPPORT** all anaesthetists in Resus.	
10	**MAINTAIN FLOW** of patients. Defer RSI and procedures until in theatre if safe to do so.	
11	If moving patient to theatre/ICU, **CONFIRM DESTINATION** with Theatre Reception	
12	Arrange anaesthetic cover for Mobile Medical Team (choose anaesthetists with prehospital experience if possible)	

NOTES

- You are overall lead for anaesthetics until the anaesthetic co-ordinator has arrived. Then they are the lead, but your focus will be more on supporting triage, resuscitation and decision making in Resus.
- All cases need to be booked by phone in theatre reception. Don't just send patients to theatre. Make sure they can contact you easily.
- 551 / 063 RESPONSIBLE FOR OBS EMERGENCIES / Cardiac Arrest CALLS - Make sure they are doubled up / free to attend an emergency.
